

Good morning! Aloha kakahiaka! Welcome to Unity Church of Hawaii'!

My name is Anne Valeron and I'm happy to be your platform assistant.

It is so wonderful to see you this morning! Thank you for being here!

And Reverend Tim and Olga Lucia are back home!! You have officially moved, right Rev Tim!!! YAAY!! We missed you! It is wonderful to have everyone back together again! Rev Levitt and Diane, Ralph and Don and you are all here so we are all set!! Let's co-create Heaven on earth!!

1. Here at Unity we honor the many paths to God, especially the one you're on. And we believe beyond all scriptures doctrines and holy teachings, with all the different religions and spiritual practices, **that there is Only One Presence and One Power, active in the Universe and in our lives, God the Good, Omnipotence."**

2. One of our basic principals here in Unity is that God the Good, that Divine Presence is alive within each one of us! **"I am alive with the Presence of God!"** Let's affirm that truth statement together: "I am alive with the presence of God!"

3. We also believe that each one of us is beautiful unique expression of God. That is part of our purpose is to shine our Light here on this earth! **I am a beautiful unique expression of God!** Let's affirm that together: "I am a beautiful unique expression of God."

4. And we know that Everything that God is we are! **Everything that God is I am! God is Love, I am Love! God is peace, I am peace! God is joy, I am joy. God is Powerful, I am Powerful! I AM FREE!!**

Let's celebrate the truth of who we are this morning. Let's shine our light and share the love of God by greeting and embracing those around us as we are able!

Please remain standing as we sing our Congregational Song.
